

Commemorated on September 21

Because of the Leavetaking of the Elevation of the Cross, the service to St Quadratus of the Seventy is sung on September 22.

At the end of Liturgy, the priest comes out from the altar with a censer, preceded by a deacon with a candle. Going to the center of the church, he censes three times around the Cross. He takes the tray with the Cross and places it on his head to carry it into the altar. The deacon goes before him, censing the Cross. After placing the Cross on the altar, the priest censes the four sides of the Holy Table.
